

Aspects Within 1° Orb on October 1st

Quick Scan In Orb Key	
Separating (Weakening):	
Applying (Strengthening):	
The longer the color bar, the smaller the orb and the stronger the aspect.	

- ♃ ♂ ♃ **Tran-Nat** Orb: 00°02' Separating
- Rash moves are very easy to make and contradictory feelings can have you thrashing about, wasting much inner energy and resources. Put off major decisions until you've seen all sides of a matter. Where a problem may take care of itself with time -- leave it alone. Inner seas will calm if you let them.
- ♃ ♂ ♃ **Tran-Nat** Orb: 00°05' Separating
- ♃ ✖ Mc **Tran-Nat** Orb: 00°06' Applying
- You will probably find that your best source of personal promotion is quiet, word-of-mouth communication that acquaints people with your better qualities without deluging them with hype. You need not do anything to further it, as it will proceed by itself. Just stick to your business and let it work for you.
- ♀ □ ♀ **Prog-Nat** Orb: 00°17' Applying
- It may be hard to make up your mind about what you want, as what used to satisfy seems to have run out on you and what you'd like to have is unavailable. That may be true to an extent, but it's also a state of mind that passes. You'll find that what you truly like doesn't really change much in the end, you just have to get reacquainted and refreshed from time to time.
- ♃ △ ♃ **Tran-Nat** Orb: 00°22' Separating
- Clear, strong confidence in your own inner vision will see you through the greatest of adversities. Your beliefs and insights are presently working harmoniously, thus that allows your discoveries to integrate with your forward direction. Outer perceptions reinforce your resolution.
- ♀ □ ♃ **Arc-Nat** Orb: 00°37' Separating
- It can be easy to overstate the obvious and allow your ambitions to get drowned in talk and explanation. A few good words are all that is needed, but just the right ones may be hard to find. This may be the time to weed out the superfluous and cut to the quick. If it requires too much discussion, it may not be for you.
- Mc ♂ ♂ **Prog-Nat** Orb: 00°39' Applying
- Your reputation right now may not be as attached to what you are actually doing as you might imagine. Don't expect immediate credit for your current projects until it's clear to others how they fit in to your overall life efforts. You're working for a posterity that will come sooner than you think.
- Mc ♂ ♂ **Arc-Nat** Orb: 00°39' Applying
- Your reputation right now may not be as attached to what you are actually doing as you might imagine. Don't expect immediate credit for your current projects until it's clear to others how

they fit in to your overall life efforts. You're working for a posterity that will come sooner than you think.

♁ ♃ ♃ **Tran-Nat** Orb: 00°45' Separating 

You are going to find your inner and outer realities somewhat at odds for a while; rather than letting them fight each other, it will probably be better to alternate from one to the other, as ultimately they do not conflict. Follow your fantasy, but obey your reality -- they will meet when the time comes.

♃ ♁ ⊗ **Arc-Nat** Orb: 00°59' Applying 

Major Events During October

Quick Scan Aspect Key

The longer the bar, the slower the aspecting planet and the longer the aspect's duration.

01 Oct ♃ SRx 05:54 pm EDT Tran-Tran  23°Ϡ22'Rx

Mars Stationary Retrograde in 02nd House

If you can avoid taking too much financial action during this period, do so. Chances are it will be hard to anyway and likely not worth the fight. Ease off on the money pedal but don't slam on the brakes, either. Opportunities for really good, long-lasting moves are few, and energy used sparingly now will serve well to have conserved later. There's nothing wrong with following through on long-term, well-laid plans, but impulsive spending will likely be resources thrown into the wind, especially if it is based on personal, ego-satisfaction motives.

01 Oct ☾ ♃ ☾ 09:34 pm EDT **Tran-Nat**  23°♎28'

This is the time during the lunar month that is closest to the "pits." Most likely time to catch cold, get overlooked, find yourself ignored. Energy is low and efforts are more ineffectual than usual -- either push twice as hard or take the day off and wait for improvement. You'll be back in style in no time.

03 Oct ☽ ♃ ☽ 06:29 am EDT Tran-Tran  10°♌19'

New Moon in 07th House

This is a particularly ripe couple of days for finding a new partner or turning over a new leaf with an old partner. You may find a flood of emotional intensity coming your way and how you utilize it could largely shape the direction of the relationship. That means be particularly understanding and realize that though feelings may be overstated at this time and emotions run hot, the message underneath is sincere and needs to be taken seriously. Breakthroughs can occur now that you both might have kept a lid on otherwise, and you'll be glad you achieved the new closeness, even though you may not be able to keep it going at that level of intensity all month.

05 Oct ♃ ♃ ♃ 05:40 pm EDT Tran-Tran  25°♌37'

All kinds of new plans and schemes fill the air, and if you can latch onto one that really works, you can go far. If there is a problem, it is winnowing out the best from the rest and settling on what to do with it. No time for details now, just get the concepts right and lay down big plans for the future.

- 07 Oct ♀♂♄ 09:00 pm EDT Tran-Tran  00°♄00'
A yearning for adventure and far horizons stirs in you now. To roam, to wander and wonder, to seek freedom and go where no one has gone before - these things are deep and powerful longings. A time of romantic crusades, a universal love that might not be too particular.
- 08 Oct ♃♂♆ 01:15 pm EDT Tran-Tran  00°♆00'
A pronounced curiosity about taboos and mysteries plays a greater part in your life now. Your mind is on cutting through the nonessentials and penetrating to the core is where your mind is at now; you want to know who (or what) pulls the strings. Sex, taxes, investments, and others of life's most compelling phenomena may captivate your interest more than ever before.
- 15 Oct ☾♂☉ 04:50 am EDT Tran-Nat  23°♄28'
This is the time of the lunar month when you get an extra boost of physical energy, from your ego on out. This allows you to carry yourself farther and ride the crest of the wave that extra distance. Things play in your style, so you don't have to strain. For a couple of days, you've got extra cards, so play them.
- 17 Oct ☽♂☉ 08:14 am EDT Tran-Tran  24°♄13'
Full Moon in 01st House
For a day or so you may find things get fairly wacky in your surroundings, and one of the causes may be you. The time is right (and the pressure is on) to bring critical projects to a conclusion, put on finishing touches, and show the world just what you're all about. The emphasis is not so much on what you've done, but rather who you are, and it's the right time to let your personality out of the box and shine, shine, shine. The whole set of circumstances may have you a little giddy, but that's part of the surrounding picture at Full Moon, and this is your time to take a ride on that energy and put your personal mark on what comes of it.
- 22 Oct ☉♂♃ 08:54 am EDT Tran-Tran  29°♁13'
Bounty and plenty are in the atmosphere to be tapped, and bright prospects are available to those who tune in right now. Overstated enthusiasm may be taken with a grain of salt, but the feeling is right and it's the perfect thing to build on. For a moment, the triumph of the will seems to be in sight.
- 23 Oct ☉♂♆ 03:43 am EDT Tran-Tran  00°♆00'
Who owes what, who owns what, and who decides these things: these are some of the major issues for you at the dawn of the cycle that now begins in your life. The only thing we really own is our consciousness; the only master who is never overthrown is oneself. These are lessons best learned early in this cycle. Master them, and you master everything. Dodge these issues, and the great strength that could be yours will remain just out of reach. Understanding inner motivations, seeing through to the core: that's your real path of power and enlightenment now.
- 25 Oct ♃♂♆ 10:51 pm EDT Tran-Tran  00°♆00'
The phase now beginning for you emphasizes fixing what is broken or unhealthy, thereby giving it a new lease on life. This is more than one person alone can handle, so the cooperation of others is essential. You give up something in order to get or create something, and you may not understand the reasons why at the time. Sex, money, power, and vitality become key issues.
- 26 Oct ♀♂♄ 02:36 pm EDT Tran-Tran  14°♄49'

Neptune Stationary Direct in 12th House

- 28 Oct ♀♂♁ 10:12 pm EDT Tran-Tran  22°♁39'
Compulsive desire is all the rage, and some people are ready to go to any ends to get what they want. Gotta, gotta, have it, whatever the price anyone pays. So, be sure that you don't get in between the desirer and the desirer. On the other hand, this is the aspect of unbearably overwhelming passion when put into effect.
- 29 Oct ☽♁☾ 05:25 am EDT Tran-Nat  23°♁28'
This is the time during the lunar month that is closest to the "pits." Most likely time to catch cold, get overlooked, find yourself ignored. Energy is low and efforts are more ineffectual than usual -- either push twice as hard or take the day off and wait for improvement. You'll be back in style in no time.
- 29 Oct ♁✳♃ 05:43 pm EDT Tran-Nat  12°♁20'Rx
- 30 Oct ♀♂♁ 04:02 am EST Tran-Tran  00°♁00'
A time of expanding your mental horizons is at hand. Religion, philosophy, law, and education are some of the things that may have special importance for you now. Being in touch with faraway people and places satisfies an intellectual yearning - curiosity will take you anywhere and maybe everywhere.
- 30 Oct ♀♂♁ 04:29 pm EST Tran-Nat  24°♁31'
Good things are in the wind for you as you're talked up by just the right people. If you've reworked your resumé, now's the time to send it out. Fortune smiles on career moves undertaken and you can cash in on your hard-earned reputation. Make hay while the sun shines, this usually only happens once a year.
