

## Quick Scan Aspect Key

The longer the bar, the slower the aspecting planet and the longer the aspect's duration.

- 01 Feb ♃ ♂ 08:45 pm EST Tran-Tran  18°♁52'R<sub>x</sub>  
Jupiter Stationary Retrograde in 05th House
- 14 Feb ♃ ♂ Mc 11:46 am EST Tran-Nat  15°♁29'  
Wild tales and phantasmagorias are heard about you abroad, so learn to manipulate your reputation rather than depend upon it reflecting your real situation in any way. You can fly many flags and never betray yourself, but at the same time you can inadvertently be misidentified, so be ready to defuse.
- 04 Mar ☽ △ ♀ 05:27 am EST Prog-Nat  03°♁29'  
Taking firm but non-confrontational stands on how you feel about issues will not only give you the upper hand but create a following. Quiet faith in your position says more than a thousand verbal arguments, so simply proceed like you know you're in the right and your stream will become the mainstream.
- 14 Mar ♃ △ ♃ 02:48 am EST Tran-Tran  16°♁27'R<sub>x</sub>  
If what you believe is what you are, then everyone is feeling very self-aware right now, and rather relaxed about it. There is a general feeling, in the background, that dreams and expectations are quite realizable (if not, indeed, already realized) and that none of it requires much tending, as what will be, will be; I'm OK, you're OK; win-win; let it be. That can be particularly annoying if it isn't applying specifically to you right now, but understand it as a background illusion that can be used if you're clever, and otherwise taken with a grain of salt. The best of times change with time itself and all illusions sooner than expected devolve into the next scene....
- 18 Mar ♀ ♂ ♃ 04:52 pm EST Prog-Nat  28°♁13'  
The desire for simplicity may be emerging more than might have been imagined, and along with it a love of older, more traditional pleasures. There may even be a certain pleasure in denying yourself, which in itself stokes desire by suppressing it. There is nothing sweeter than what is too long-awaited.
- 21 Mar ♃ ♂ 08:33 pm EST Tran-Tran  20°♁24'  
Saturn Stationary Direct in 02nd House
- 26 Mar ♃ ✱ ♀ 02:51 am EST Tran-Nat  08°♁23'  
Expect an even, though not awe-inspiring, flow of mental creativity for a while, during which you should have plenty of time to put your plans into action and test them out -- unpressed by further demands on your skills. A peaceful time in the mind for establishing an ideal pace for optimum work.
- 26 Mar ♃ ♂ 06:05 pm EST Tran-Tran  24°♁31'R<sub>x</sub>  
Pluto Stationary Retrograde in 07th House
- 16 Apr ♃ ✱ ☽ 07:05 am EDT Tran-Nat  12°♁21'R<sub>x</sub>  
You will likely be feeling a good sense of inner pacing in which judgment balances easily with

emotional inclination, so you can give just the right amount without overdoing or wasting emotional or psychic effort. A good time to judge relationships and the amount of inner effort you wish to commit.

- 09 May ♀♁♃ 00:37 am EDT Arc-Nat  28°♎13'
- 12 May ♃✳️☉ 12:04 pm EDT Prog-Nat  03°♍40'  
Expect a long period of ever-increasing growth of confidence and adventurousness that will expand your reach and enlarge your grasp on life. It's a slow evolution that will be more noticed in hindsight than when it's happening, and its inner consequences are a cheerier and more optimistic approach to each day's potential.
- 12 May ♃✳️♁ 11:21 pm EDT Arc-Nat  28°♍50'  
Channeling inspiration makes the difference between wasting it and actually putting your schemes to practical use. That doesn't mean implementing every wild idea that comes into your head, but it does mean taking yourself seriously even when others don't and harnessing offbeat approaches to make more mileage out of life.
- 19 May ♀♁♃ 05:09 pm EDT Tran-Tran  17°♁36'♁  
Neptune Stationary Retrograde in 10th House
- 05 Jun ♃♁♃ 02:12 am EDT Tran-Tran  08°♍56'
- 14 Jun ♁♁♃ 04:59 pm EDT Tran-Tran  10°♁46'♁  
Uranus Stationary Retrograde in 10th House
- 27 Jun ♃✳️♁ 09:29 am EDT Tran-Nat  27°♍36'  
You may find that your fantasy life is seeing some external support, making this a good time to go gently out and try to make some dreams come true. Just sort of slip them into reality, don't push, and you may find they grow with a life of their own. Be willing to trim them to fit reality a bit and they'll blossom.
- 02 Jul ♃✳️♃ 07:22 am EDT Tran-Nat  28°♍13'  
A generalized trend of stabilization of a mild sort may be expected, marked by heightened social sensitivity and recognition of the needs of those around you -- how to tend to them and how to garner their support. Nothing dramatic, just a feeling that you intuitively know how to fit in better.
- 07 Jul ♃✳️♁ 05:31 am EDT Tran-Nat  28°♍50'  
At the moment you've got a good feeling about just how far out you can go to please yourself but not overly offend others more conservative than you are -- wild but chic, so to speak. Enjoy it while it lasts until your more individual urges get the better of you and you just have to let it all hang out.
- 16 Jul ♃♁♃ 08:31 am EDT Tran-Tran  00°♁00'  
The cycle now dawning in your life indicates a focus on creativity and feelings - areas where you may feel that you are held back somehow. Developing a disciplined approach to these things is a must if you are to make any progress at all. Realize that you can't have it strictly on your own terms, that too much control can wither it away.

- 24 Jul ☿ ✨ ☽ 06:52 pm EDT Tran-Nat  12°♁21'  
You will likely be feeling a good sense of inner pacing in which judgment balances easily with emotional inclination, so you can give just the right amount without overdoing or wasting emotional or psychic effort. A good time to judge relationships and the amount of inner effort you wish to commit.
- 31 Jul ☽ ♀ Asc 10:16 am EDT Prog-Nat  09°♁39'  
Getting things accomplished, either at home or at work, can be either helped or hindered by uncertainty about how to present yourself. It's hard to be completely forthright when you have an ulterior object in mind, and when that shows it can make you seem less than sincere. Just make the necessary proposals without undue personal testimony.
- 12 Aug ♃ ♀ ♁ 10:50 am EDT Tran-Nat  03°♁29'  
This is likely to be a time of considerable deep introspection and even depression, during which you meditate upon the meanings of death and the limitations put upon us by worldly existence. Rather than bemoaning your hard case, take it as a time to confront and better understand these total issues.
- 13 Aug ♃ ☐ ☉ 11:27 pm EDT Tran-Nat  03°♁40'  
Events which require marshalling extra inner energy and resources tend to go awry and use up psychic fuel without bearing much fruit. It's easy to chase your tail and just get mired in deeper, so you're better off keeping to yourself and letting things be for a while, despite temptation to jump in.
- 17 Aug ☿ △ ♀ 03:38 pm EDT Tran-Tran  15°♁57'  
If what you believe is what you are, then everyone is feeling very self-aware right now, and rather relaxed about it. There is a general feeling, in the background, that dreams and expectations are quite realizable (if not, indeed, already realized) and that none of it requires much tending, as what will be, will be; I'm OK, you're OK; win-win; let it be. That can be particularly annoying if it isn't applying specifically to you right now, but understand it as a background illusion that can be used if you're clever, and otherwise taken with a grain of salt. The best of times change with time itself and all illusions sooner than expected devolve into the next scene....
- 02 Sep ♁ ♁ 01:39 am EDT Tran-Tran  21°♁49'  
Pluto Stationary Direct in 07th House
- 05 Sep ♀ ♀ Mc 02:49 am EDT Tran-Nat  15°♁29'Rx  
Wild tales and phantasmagorias are heard about you abroad, so learn to manipulate your reputation rather than depend upon it reflecting your real situation in any way. You can fly many flags and never betray yourself, but at the same time you can inadvertently be misidentified, so be ready to defuse.
- 08 Sep ☿ △ ☿ 02:24 pm EDT Tran-Nat  20°♁00'  
Now is the time to put on your seven-league boots and make major advances along the path of your choice. You have large, swinging energies behind you and you should maximize your gains while the wind blows in your direction. Confidence is your best ally -- if you think you can do it, you can.
- 11 Sep ♃ ✨ ♀ 04:31 am EDT Tran-Nat  08°♁23'Rx

Expect an even, though not awe-inspiring, flow of mental creativity for a while, during which you should have plenty of time to put your plans into action and test them out -- unpressed by further demands on your skills. A peaceful time in the mind for establishing an ideal pace for optimum work.

- 17 Sep ♃ ✖ ♀ 11:40 pm EDT Tran-Tran  21°♁53'  
 This is an excellent time for whipping up great faith in whatever new trip you are onto, regardless of its apparent merits. Faith is the operant word here, for if you instill enough of it yourself and inspire enough of it in others, you can succeed where you probably wouldn't or shouldn't otherwise. Basically, your personal or financial success (it can be either) can hang on your ability to generate a deep feeling of trust and the inevitability of what you believe to be the right course. That's what people are looking for right now. If you can make your belief theirs, then you can take a ride together and you won't have to sell anymore. And when you pull together with the abiding knowledge of success, it's a lot more likely to happen.
- 24 Sep ♃ □ ♀ 11:58 pm EDT Tran-Nat  08°♁23'  
 Fouls and snags in your thought processes make for slow gains and necessitate multiple reworkings or even abandonment of what seemed like a good idea at first. Either hone plans down to a repeatedly sharpened edge or just let them go and worry about it later when the situation gets a little less muddy.
- 28 Sep ♀ ♂ ♃ 02:04 pm EDT Prog-Nat  28°♁50'  
 You may find your tastes becoming more and more curious, and there's no time like the present to explore new and unusual paths to pleasure and satisfaction. Why be satisfied with meat and potatoes when there's a world of spices waiting to stimulate your senses? And if you like it, you might even find a way to market it.
- 04 Oct ☽ △ ☽ 07:02 am EDT Prog-Nat  12°♁21'  
 First feelings will probably be the ones to count on for a while, as although exterior settings may have changed, you can read what's going on inside well enough to rely on your instincts, so you probably won't have to second guess yourself or others. Play it like you feel it, spend extra energy elsewhere.
- 21 Oct ♃ △ ♂ 00:31 am EDT Tran-Nat  28°♁56'  
 This is the time to catch that precious second wind and establish your maximum stride with renewed energy freely given from within and without. Let yourself flow and all systems will right themselves and get you on an even, forward motion that requires little thought. Just go with it.
- 25 Oct ♃ ♂ ♃ 10:49 pm EDT Tran-Tran  00°♃00'  
 The phase now beginning for you emphasizes fixing what is broken or unhealthy, thereby giving it a new lease on life. This is more than one person alone can handle, so the cooperation of others is essential. You give up something in order to get or create something, and you may not understand the reasons why at the time. Sex, money, power, and vitality become key issues.
- 26 Oct ♃ ♁ 02:06 pm EDT Tran-Tran  14°♁49'  
 Neptune Stationary Direct in 09th House
- 10 Nov ♃ □ ♀ 11:38 pm EST Tran-Nat  03°♃29'

It may be hard for you to resist forcing your will on others where you think there is universal gain to be had. In the long run, however, this will be self-defeating, particularly when you later turn out to have been wrong. Rather, fear not to be still, for the need for power is born only of that fear.

- 11 Nov ♃ ♁ ☉ 09:07 pm EST Tran-Nat  03°♎40'  
Stop-and-go energies within make it hard to stay on one subject at a time, so be ready to diversify. Avoid commitments that require steady or constant attention in favor of those that will let you come and go as you please. What goes unfinished now can be completed later, if you design it that way.
- 15 Nov ♃ ♁ 05:07 pm EST Tran-Tran  06°♋51'  
Uranus Stationary Direct in 10th House
- 22 Nov ♄ ♁ 02:01 am EST Tran-Tran  11°♏19'♁  
Saturn Stationary Retrograde in 03rd House
- 27 Nov ♃ ♁ ♃ 06:53 am EST Tran-Tran  06°♎54'  
This is, in general, a period when it's more all right to experiment with the unusual, pursue original approaches, and follow those flashes of insight however strange they might seem. Partially, it's because what you might have thought strange not long ago now seems lucidly obvious and everyone wants a piece of the action. Now is not the time to recriminate or remind others of how unimaginative they recently were -- much better to acknowledge how ahead of the pack you were because, of course, you're a natural leader.
- 04 Dec ♃ ♁ ♀ 03:12 pm EST Tran-Nat  08°♎23'  
Making up your mind is the problem and the solution may very well be not to do it at all. A good time for letting disparate elements split apart naturally and let each take their own natural path. When in doubt, reserve judgment and let each of your own diverging opinions have its own deserving place.
- 15 Dec ♃ ♁ ♁ 00:55 am EST Tran-Nat  15°♏29'  
Wild tales and phantasmagorias are heard about you abroad, so learn to manipulate your reputation rather than depend upon it reflecting your real situation in any way. You can fly many flags and never betray yourself, but at the same time you can inadvertently be misidentified, so be ready to defuse.
- 17 Dec ♃ ♁ ♄ 00:17 am EST Tran-Tran  10°♎45'  
This one-year-in-ten period is full of shifts and changes, struggles and dissatisfactions, confusion of purpose or profit in the world in general. If you didn't think ahead and see this coming, you can find yourself rather at the mercy of changing storms. Although this may not affect you that much, it's affecting the general populous, so expect shifting sands on a regular basis. This applies not just to economics, but to disagreements about the very makeup of moral fiber, right and wrong, which side you are on, and so on. Don't go for an easy fix, as a good one probably won't be available. The wise are waiting, not wading in.
- 18 Dec ☽ ♁ ♁ 11:57 am EST Prog-Nat  15°♏29'  
If a professional or career opportunity feels right, it probably is, and now is the time to say yes. Even in small things, your judgment calls for how to further yourself are running above par, so you are for the moment your most highly trusted consultant. Your ability to move along

quickly and with confidence adds even more to the picture.

26 Dec 4 ☐ ☽ 01:41 am EST Tran-Nat   12°N, 21'

Hold back on snap judgments, particularly those based upon intuition, which may seriously fail you at this time. Best to rely on hard facts and avoid over or under reactions to circumstances, even if it seems called for. Emotional timing is a bit off, so hold yourself in check for a second look.
